

Find the word for it

Start in the middle: which of the six broad feelings is closest? Move outward until a word fits. Precise words make check-ins, therapy notes and symptom logs far more useful than “fine” or “bad”.

CORE	MORE SPECIFIC	EVEN MORE SPECIFIC	TODAY?
Angry	Frustrated	Annoyed · Impatient	
	Irritated	Agitated · Prickly	
	Resentful	Betrayed · Used	
	Let down	Disappointed · Cheated
